

## DREAMWEAVER 2

With more companies than ever generating business and attracting customers through the internet it's important to make sure your website is the one potential clients find. Our workshops will show you how to unlock the awesome power of Dreamweaver, moving your web development in to the fast lane.

This workshop is for anyone wanting to extend their knowledge of one of the most commonly used web design packages.

### Do I need any experience?

A basic knowledge of Macromedia Dreamweaver is essential.

### What if I can't fit it in?

The Business Solutions @ Northbrook team understand how hectic life can be sometimes; it's for this reason that we're happy to customise this workshop for individual employers and ensure flexible delivery, either on your premises or at Northbrook College (A company costing will be provided once your training needs are finalised).

### What will I gain from this course?

Upon completion of this workshop you will receive a Northbrook College Certificate of Attendance, easy to follow handouts, and enough knowledge to proceed and progress onto other workshops and IT courses.

### What will I learn on this course?

This workshop will cover:

- > An introduction to Cascading Style Sheets (CSS)
- > Styling text, images and hyperlinks
- > Background images
- > Web Page Layouts - CSS for positioning and formatting DIV tags
- > Dreamweaver behaviours
- > Form controls
