

NCFE LEVEL 2 CERTIFICATE IN UNDERSTANDING THE HANDLING OF MEDICINES (QCF 13 CREDITS)

This is a distance learning course where candidates will be expected to progress through a portfolio. Our assessors will spend approximately 6 hours over a period of four weeks guiding and supporting the candidates to completion. There are four units:

1. Understand medication and prescriptions
2. Supply, storage and disposal of medication
3. Understand the requirements for the safe administration of medication
4. Record keeping and audit processes for medication administration and storage

Who is this course suitable for?

This qualification is ideal for a wide range of learners with some existing knowledge of this area who are interested in improving their understanding of the safe handling of medicines.

Do I need any experience?

No. Our trainers have designed the workshop to give you all the information and training you need to develop your skills.

What if I can't fit it in?

The Business Solutions @ Northbrook team understand how hectic life can be sometimes; it's for this reason that we're happy to customise this workshop for individual employers and ensure flexible delivery, either on your premises or at Northbrook College (A company costing will be provided once your training needs are finalised).

What will I gain from this course?

As this course is part of the Quality Credit Framework, successful candidates will gain 12 credits on completion.

What will I learn on this course?

This qualification aims to:

- > Understand the use of different types of medication
- > Understand how medicines are classified
- > Understand medication and guidelines related to medication
- > Understand the roles of self and others in the medication process

What are the specific details?
